1 FOR AN ACT ENTITLED, An Act to authorize professional corporations, limited liability  
2 companies, or limited liability partnerships owned by certain health care professionals of  
3 more than one profession.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF SOUTH DAKOTA:

5 Section 1. Terms used in this Act mean:

6 (1) "Authorized licensee," a natural person licensed as a health care professional under  
7 Title 36 and entitled to form a professional corporation pursuant to chapters 47-11,  
8 47-11A, 47-11B, 47-11C, 47-11D, and 47-11E;

9 (2) "Professional employee," an employee of a professional corporation who is an  
10 authorized licensee, but not a shareholder of the corporation.

11 Section 2. For the purposes of this Act, the term, professional corporation, includes a limited  
12 liability company organized under chapter 47-34A or a limited liability partnership organized  
13 under chapter 48-7. With respect to a limited liability company, references in this Act to articles  
14 of incorporation, by-laws, directors, officers, shareholders, and shares of stock refer to articles  
15 of organization, operating agreement, governors, managers, members, and membership interest,

1 respectively. With respect to a limited liability partnership, references in this Act to articles of  
2 incorporation and by-laws refer to partnership agreement, references to directors, officers, and  
3 shareholders refer to partners, and references to shares of stock refer to partnership interests.

4 Section 3. One or more authorized licensees may form a professional corporation for the  
5 purpose of rendering two or more kinds of professional services and services ancillary thereto.  
6 A professional corporation may not employ a person who is an authorized licensee unless at least  
7 one shareholder of the professional corporation is an authorized licensee of the same profession.

8 Section 4. No professional corporation may provide any professional service or ancillary  
9 service without a certificate of registration from the licensing board of each category of licensee  
10 who is a shareholder. An application for such registration shall be made to the applicable boards  
11 in writing and shall contain the name and address of the corporation, the information required  
12 in section 10 of this Act, and such other information as may be required by each licensing board.

13 Section 5. Upon receipt of an application made pursuant to section 4 of this Act, each  
14 licensing board shall investigate the proposed professional corporation. If the board finds that  
15 the shareholders and professional employees within its jurisdiction are properly licensed and have  
16 no disciplinary action pending before the board and if it appears that the corporation will be  
17 conducted in compliance with the law and rules of the board, the board shall issue an annually  
18 renewable certificate of registration upon payment of a registration fee in an amount to be  
19 established by rule pursuant to chapter 1-26. The application for renewal of a certificate of  
20 registration must report any change in status of the corporation or its shareholders. The  
21 corporation shall promptly report to any licensing board having jurisdiction the occurrence of  
22 any event mentioned in subdivisions (1), (2), and (3) of section 8 of this Act.

23 Section 6. The certificate of registration issued pursuant to section 5 of this Act shall be  
24 conspicuously posted upon the premises to which it is applicable.

25 Section 7. An application for an amended certificate of registration shall be filed with any

boards having jurisdiction of the professional corporation any time the location or ownership of the professional corporation changes. The respective boards shall investigate the corporation to determine whether it continues to meet the requirements of this Act. Certificates of registration are not assignable.

Section 8. Any licensing board having jurisdiction over a professional corporation may suspend or revoke the certificate of registration issued under this Act for any of the following reasons:

- (1) The revocation or suspension of the license to practice of any shareholder or professional employee not promptly removed or discharged by the corporation;
- (2) Unprofessional conduct by any shareholder or professional employee not promptly removed or discharged by the corporation;
- (3) The death of the last remaining shareholder; or
- (4) Upon a finding that the certificate holder has failed to comply with the provisions of this Act or rules prescribed by any licensing board having jurisdiction over the certificate holder.

Section 9. Before any certificate of registration is suspended or revoked, the holder is entitled to a hearing pursuant to chapter 1-26 before the board or boards having jurisdiction. The hearing may be held jointly by the boards, but each board shall render its own decision. Any party to such a hearing is entitled to appeal pursuant to chapter 1-26. If any licensing board finds that the suspension or revocation is necessary to protect the public health, safety, or welfare or because willful acts are involved, it may dispense with the requirement of prior notice and hearing. However, the professional corporation shall have a reasonable hearing after any such suspension or revocation.

Section 10. In addition to providing the information required by the South Dakota Business Corporation Act, the following information is also required in the forming documents of a

professional corporation, the organizing documents of a limited liability company, or the registration documents of a limited liability partnership:

- (1) The name of the corporation, limited liability company, or limited liability partnership;
- (2) The purpose of the corporation, limited liability company, or limited liability partnership;
- (3) A statement that the shareholders of the corporation, members of the limited liability company, or partners in a limited liability partnership may only be professional persons licensed to render the kind of professional service that fit the purpose of the corporation, limited liability company, or limited liability partnership; and
- (4) A statement that the officers and directors of a corporation, the governors and managers of a limited liability company, and the partners of a limited liability partnership, must be professional persons licensed to render the kind of professional services that fit the purpose of the corporation, limited liability company, or limited liability partnership.

Section 11. The corporate name of a corporation formed pursuant to this Act shall end with the words, Professional Corporation, or the abbreviation, P.C., or the word, Limited, or the abbreviation, Ltd. The name of any limited liability company shall end with the words, Professional Limited Liability Company, or the abbreviation, P.L.L.C., or the words, Limited Liability Company, or the abbreviation, L.L.C. The name of any limited liability partnership shall end with the words, Professional Limited Liability Partnership, or the abbreviation, P.L.L.P., or the words, Limited Liability Partnership, or the abbreviation, L.L.P.

Section 12. A professional corporation may own real and personal property necessary or appropriate for rendering professional service and may invest its funds in real estate, mortgages, stocks, bonds, or any other type of investment.

Section 13. This Act does not authorize an individual to practice any profession, or furnish

1 any professional service, for which the individual is not licensed.

2 Section 14. A professional corporation may exercise any powers accorded it by its generally  
3 applicable governing law, so long as the professional corporation exercises those powers solely  
4 to provide the pertinent professional services or to accomplish tasks ancillary to providing those  
5 services.

6 Section 15. No professional corporation may adopt, implement, or follow a policy,  
7 procedure, or practice, which would give any licensing board having jurisdiction grounds for  
8 disciplinary action, cause a violation of professional ethics, or cause a violation of the  
9 professional duty to use due care, against a shareholder or professional employee who follows,  
10 agrees to, or acquiesces in the policy, procedure, or practice. Any licensing board having  
11 jurisdiction shall be notified of any practice or policy adopted by the professional corporation  
12 that violates any provision of this Act. Any dissension or deadlock resulting in a corporate policy  
13 or action violating the terms of this Act shall be reported to any licensing board having  
14 jurisdiction. Any licensing board having jurisdiction shall have access to any business records and  
15 any patient records relevant to the actions of its respective licensee.

16 Section 16. This Act does not alter any law applicable to the relationship between a  
17 professional licensee furnishing health care services and the person receiving those services,  
18 including liability arising out of those services. To the extent required by the licensing or  
19 corporation law governing any authorized licensee or professional employee, the corporation  
20 shall comply with the provisions of such law relevant to the maintenance of professional liability  
21 insurance for those affected health care professionals employed by the corporation.

22 Section 17. Patient records shall be kept strictly confidential. No provision of this Act,  
23 including interdisciplinary access to patient records by any stockholder, professional employee,  
24 or any employee of a professional corporation, constitutes a waiver of any privilege on  
25 confidential communications which otherwise exists under any provision of the law of this state.

1       Section 18. The licensing boards having jurisdiction over professional corporations  
2       authorized in chapters 47-11, 47-11A, 47-11B, 47-11C, 47-11D, and 47-11E are authorized to  
3       promulgate rules pursuant to chapter 1-26 to implement the provisions of this Act, including the  
4       following provisions:

5       (1)    Definition of terms;

6       (2)    Applications for registration and renewed registration as provided by sections 4 and

12             Act.
